Like many other civic clubs, we plan to hold the meetings on a regular monthly basis (2nd Tuesday of each month) so interested people can build into their calendars. Monthly meetings will be limited to 1 hour to allow attendees to get back to work in a timely manner. We will follow a format similar to other civic clubs in that the meal will begin when you arrive and continue through the lunch hour. Because we will eat from the buffet, a late arrival will not disrupt the meeting. At approximately 12:20, we will have a few short announcements followed by a speaker that will be limited to 15-20 minutes. We will close the meeting with Q&A as well as additional networking. One of the goals of this club is to allow those that attend determine what course it follows and we hope attendees will suggest future topics of interest as well as alternate meeting times, if desirable.
