

October 9th "Tech Bunch For Lunch"

Topic: Converging Communications

Our speaker, Kevin Walsh, NTELOS, will discuss how new communications technology will drive productivity enhancements for businesses!

Working in Product Development at NTELOS for the past 9 years, Kevin has been instrumental in NTELOS' leadership in high tech communications in Virginia, introducing DSL Broadband, Metro Ethernet, and numerous Integrated VoIP services. Kevin was a leader of the NTELOS team that received Cisco System's National "IP Innovator of the Year" Award in 2004. He's also active in the technology community as a member of the executive board of the Shenandoah Valley Technology Council.

- **When:** October 9, 2007
- **Time:** 12:00 PM- 1:00 PM
- **Where:** the Restaurant at the Stratford Inn Riverside Drive, Danville VA

(not the Stratford Conference Center) The Stratford Inn's lunch buffet includes a 35 item...Cost is \$11.50 including beverage & tip.

Like many other civic clubs, we plan to hold the meetings on a regular monthly basis (2nd Tuesday of each month) so interested people can build into their calendars. Monthly meetings will be limited to 1 hour to allow attendees to get back to work in a timely manner. We will follow a format similar to other civic clubs in that the meal will begin when you arrive and continue through the lunch hour. Because we will eat from the buffet, a late arrival will not disrupt the meeting. At approximately 12:20, we will have a few short announcements followed by a speaker that will be limited to 15-20 minutes. We will close the meeting with Q&A as well as additional networking. One of the goals of this club is to allow those that attend determine what course it follows and we hope attendees will suggest future topics of interest as well as alternate meeting times, if desirable.
