Date: 11/11/08

Time: 12:00– 1:00

Location:
Ryan's Family Buffet
107 Executive Court
Danville, VA 24541
[directions](#)

PRODUCED in Virginia (PROviding Undergraduate Connections to Engineering Education in Virginia) is an academic outreach initiative of the University of Virginia School of Engineering and Applied Science (SEAS). Through this program SEAS is reaching out to bring undergraduate engineering education to communities throughout Virginia. The program is currently available in Lynchburg, in conjunction with Central Virginia Community College (CVCC). **This fall students will also have an opportunity to start in Danville, in conjunction with Danville Community College (DCC).**

Through PRODUCED in Virginia, students can earn a bachelor's of science degree in engineering science from the University of Virginia without leaving their communities.

Dr. Wade Davenport, Dean, Division of Arts and Sciences, will discuss this wonderful opportunity for our area students.

There is no fee to attend.

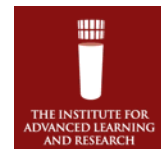

The restaurant's nearly 100-item lunch buffet is approx. \$10.50 including beverage & tip.

Like many other civic clubs, we plan to hold the meetings on a regular monthly basis (2nd Tuesday of each month) so interested people can build into their calendars. Monthly meetings will be limited to 1 hour to allow attendees to get back to work in a timely manner. We will follow a format similar to other civic clubs in that the meal will begin when you arrive and continue through the lunch hour. Because we will eat from the buffet, a late arrival will not disrupt the meeting.
