

February Tech Bunch for Lunch

Digital Signage

Date: 02/12/08

Time: 12:00– 1:00

**Location: Stratford Inn Restaurant
2500 Riverside Drive
Danville VA 24540**

Digital Signage is the largest growing visual communications medium and is popular in a variety of settings – lobby reception, campus-wide systems, corporate television networks, call centers, medical facilities, banking and financial sites, break rooms, manufacturing floors, worship venues, retail displays, community access channels, hotel and casino spaces, emergency response centers, transportation facilities, museums and exhibits. Virtually any public space or network can incorporate digital signage to effectively deliver your message.

Visual Communications Agenda

- Demonstration
- Content Creation
- Scheduling Content
- Examples of Applications
- Q&A

Presented by: VISIX - Jennifer Fryc

There is no fee to attend. The restaurant's 35 item lunch buffet is \$11.50 including beverage & tip.

Note: There will also be a live demonstration and more in-depth discussion on Digital Signage and Axis TV at the Institute for Advanced Learning & Research at 2:00–4:00pm.
