Heart Care: Neighbor to Neighbor

As the most comprehensive provider in the Dan River Region, Danville Regional Medical Center is committed to bringing the best in healthcare closer to home. Dr. Michael Moore, Director Medical Education, and Dr. Richard Embrey, Cardiac Surgeon, will discuss technology and methods used to reduce heart disease in the Dan River Region.

There is no fee to attend.

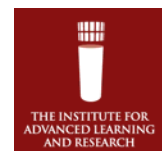

The restaurant's nearly 100-item lunch buffet is approx. \$10.50 including beverage & tip.

Like many other civic clubs, we plan to hold the meetings on a regular monthly basis (2nd Tuesdays) so interested people can build into their calendars. Monthly meetings will be limited to 1 hour to allow attendees to get back to work in a timely manner. We will follow a format similar to other civic clubs in that the meal will begin when you arrive and continue through the lunch hour. Because we will eat from the buffet, a late arrival will not disrupt the meeting.
