Technology Training Survey](#)

Date: 5/12/09 Time: 12:00– 1:00

Location:
Ryan's Family Buffet
107 Executive Court
Danville, VA 24541
[directions](#)

Join us Tuesday for a nDanville Update.

nDanville is the City's 100+ route mile fiber optic network that extends high speed transport service to schools, government buildings, and a growing number of businesses. The City of Danville does not act as a service provider, but is open to any provider who wishes to offer services. Over the past five years, nDanville has helped a variety of organizations improve connection speeds in partnership Gamewood, a local service provider. This is a unique creation of a public-private partnership that will hopefully improve Danville's economic development initiatives.

During the SPTC luncheon, Danville Utilities will give an update on the progress of nDanville and describe planned neighborhood deployments and the launch of the nDanville Medical Network.

There is no fee to attend.

The restaurant's lunch buffet is approximately \$10.50 including beverage & tip.

Like many other civic clubs, we plan to hold the meetings on a regular monthly basis (2nd Tuesdays). Monthly meetings will be limited to 1 hour to allow attendees to get back to work in a timely manner. We will follow a format similar to other civic clubs in that the meal will begin when you arrive and continue through the lunch hour. Because we will eat from the buffet, a late arrival will not disrupt the meeting.
